## DRAFT PROGRAMME

### EPIC

## Teacher Training Seminar, Barcelona 2019

February 11-13

**(together with project seminar February 11-15)**

#### **Important information:**

This program covers the teacher training part of the seminar, which takes place on February 11-13. Some activities are joint with the students program, while others are specific for the teacher training (usually when the students are working in groups). All participants are invited to stay on and help with supervision also during February 14-15.

#### **General information:**

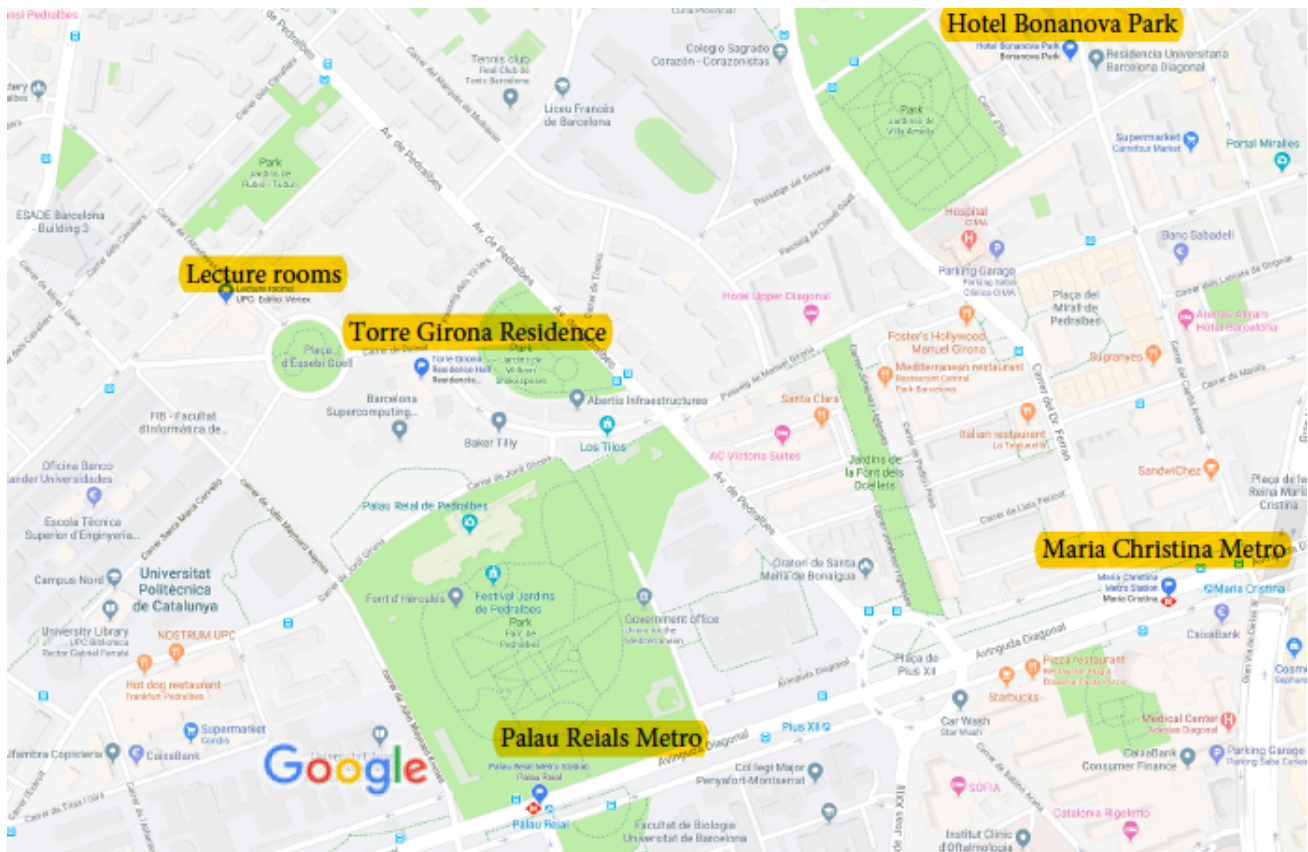

*Accommodation* for teachers will be in Hotel Bonanova Park (<http://hotelbonanovapark.com>), located at Calle Capitá Arenas 51, 08034 Barcelona.

*Meals:* Breakfast is served in the hotel (included with all reservations), and lunch will be served in the campus restaurant. Every night (Monday to Friday) a joint dinner will be arranged in the city, see the daily programme. The meals are all paid through the Erasmus+ grant.

*Arriving to Barcelona (For Torre Girona Residence Hall):* When you arrive to Barcelona you have different options of getting to the campus. The cheapest option is to take the metro line L9 to Zona Universitaria, and from here change line to L3 for two stops to Maria Christina. You buy the metro tickets at the airport metro station (special ticket needed from the airport). A faster and bit more expensive option is to take the Aerobus from the airport to Placa Espanya, and change to metro L3 towards Zona Universitaria, and get off at Maria Christina. See the map on the next page. At taxi costs around 25-30 EUR.

*Leaving Barcelona:* There are two airport terminals (Terminal 1 and Terminal 2), which are quite far apart. Make sure you go to the right one.

*Transport:* The campus is located quite conveniently for public transport. From the city, just take the Metro to Palau Reial (Green Line L3, towards Zona Universitaria). You might want to buy a T10 card (valid for ten journeys on Barcelona buses and metro), which you can buy at all metro stations.

*The lectures and group work take place at the university campus unless otherwise stated. It is just across the street from the Torre Girona Residence Hall.*

*Wireless Internet at the campus – you can use eduroam, so make sure you have enabled your eduroam account.*

*Insurance: As a participant of EPIC, it is important you are covered by proper insurance. Please check what rules apply at your home institution. It is highly recommended also to bring the European Health Insurance card.*

*In case of emergency, Jens Myrup Pedersen can be reached 24h on **+45-21847931**, and Josep Solé-Pareta can be reached 24h on **+34-690087283**. Please code these numbers into your phones so you have them at hand if needed.*

*Discord is the main communication tool for the project work. If you have not already joined, please do so using the following steps:*

1. Navigate to <https://discordapp.com/register> and create a Discord user.
2. When presented with the home screen, click on the big plus sign in the top left corner and afterwards on "Join server".
3. Type in 77TH3wv and press enter.
4. When you have joined the server click on "Jacob Vejlin" or "Robert Nielsen" in the right-hand side column and send a message with your name and let them know you are an EPIC teacher, and which project you will be supervising.

*Eduspace.lv contains the preparation materials for all teachers and supervisors. To register for the course, please follow these steps:*

- **Create new account** at <https://eduspace.lv/login/index.php?lang=en>
- **Confirm** the account from your e-mail and **enroll** in the course "**EPIC Materials for Teachers 2018/2019**", by pushing **Enroll** button beneath it

**Note:** Adjustments can be made at any time, so keep an eye on Discord where all updates and announcements will be made.
